

Endowed Chair Report

An annual impact report is to be submitted no later than January 31, 2025, using the Word version of your Wash U letterhead to answer the questions below. Please include information for this year (January 1 - December 31, 2024). This report will be sent to the donor (or their representatives) who provided funding for your chair/professorship, so we ask that you *summarize the following in lay language*:

1. Highlights of your team's work over the past year and your role in those achievements
2. How you have incorporated innovative ideas into clinical practice for children and/or accelerated leading-edge pediatric translational research
3. In what ways have you shared your passion by helping train and inspire the next generation of pediatric medical providers, including residents and fellows
4. How you have contributed to exchanging your medical expertise and findings with peers in your field through presentations at major conferences or academic meetings
5. Please also feel free to also include a list of recent publications or awards
