

Endowed Fellowship Report

An annual impact report is to be submitted no later than January 31, 2025, using the Word version of your Wash U letterhead to answer the questions below regarding departing and incoming fellows:

1.) Please summarize in lay language highlights from fellows departing in June 2024 including:

- How has the addition of a fellow benefitted your department now and how will it impact your long-term plans to deliver exceptional health care?
- In what way has the fellow pursued activities that will accelerate leading-edge pediatric translational research or serve as a catalyst for the advancement of medical science?
- Has the fellow contributed to exchanging medical expertise with peers in the field through presentations at conferences? If so, when, and where?
- Please include a headshot of the fellow and a list of any applicable publications and awards.

2.) Please also provide a list of fellows who began their tenure in July 2024:

- Please include a headshot of the fellow and a short bio.
- Please provide /or a brief description of the focus of their work.
