

Holiday Donations to St. Louis Children's Hospital

Thank you for your generous donations to ensure that every child is able to celebrate the holidays, even while hospitalized. This year, new, packaged, unwrapped toys and gift cards will be accepted from community donors, organizations and toy drives from **December 6th–December 20th** at BJC at the Commons just a few blocks east of the hospital.

Please note, donations are unable to be accepted at St. Louis Children's Main Hospital campus during the holiday season. Additionally, due to infection prevention and patient confidentiality guidelines, delivering items directly to patients is not possible.

What Types of Items to Donate?

- Teen gifts: Lego sets, sports apparel, spa items (highest need)
- Infant toys: Board books, rattles, lovies (highest need)
- Refer to our [Amazon Wishlist](#) for specific needs and other ideas
- Items from our wish list are also available for purchase locally in-person and online at [The Nook](#), a volunteer-run shop where 100% of the profits come back to the hospital!

Donations will be utilized to create a toy store in the hospital for families admitted over the holiday season to shop free of charge for their children. They will also help sustain our ability to celebrate important childhood milestones including holidays, birthdays, treatment milestones, and to help brighten the day for patients when they need it most.

Guidelines for Donations

- All donated toys/items must be new and in the original packaging. Used toys and items cannot be given to patients.
- Do not gift wrap donations
- Please avoid donating:
 - Play guns, Nerf guns or other toy weapons
 - Latex balloons
 - Candy, gum or other food
 - Scary or violent action figures or dolls
 - Used toys or books
 - Handmade items
